VERMONT 100+ 30th Anniversary!

Vermont Business Magazine is preparing to publish our **30th annual Vermont 100+**, a ranking of Vermont companies based on revenues. Last year we listed nearly 200 companies ranked by total revenues and also ranked by industry. The rankings will be published in our January 2017 issue.

We think your company might qualify and respectfully ask that you enter your **2016** revenue figure (or estimate) in the space provided and mail, fax or email back your survey. If you do not know and cannot estimate **2016's** revenues, please enter the figure for the most recently completed fiscal year and note what year the figure is for.

Even if you do not wish to be considered for the Vermont 100+, you likely should be included in VBM's "Business & Manufacturers Directory," a B2B publication done in conjunction with the Vermont Department of Economic Development, which we will publish in May 2016. Just complete and return the form, even if all the information is correct. (**FINANCIAL, REAL ESTATE, INSURANCE** firms must report taxable revenues, not assets, home sales, transactions, billings, etc.).

Deadline is December 15, 2016. There is no charge to be listed in any of our rankings or directories.

Sincerely,
Timothy McQuiston, Editor
